**COMPANY PROFILE**

# COMPANY OVERVIEW

**ITSec Middle East Consulting** (branded as **ITSec Middle East**) is a cybersecurity and digital risk advisory firm dedicated to protecting businesses in Qatar and across the Middle East.

As a regional extension of **ITSec Ltd** (Mauritius), we bring two decades of international expertise and proven methodologies to the Middle Eastern market.

We help organisations navigate through complex cyber threats, regulatory requirements, and evolving digital challenges by delivering world-class, standards-based security consulting and managed services.
